Dear Dr. Harding:

Enclosed is a copy of an external draft report entitled "Environmental Aspects of Vinyl/Polyvinyl Chloride". This document was prepared by a task force of EPA scientists convened under the direction of Dr. John F. Finklea, Director, National Environmental Research Center (NERC), Research Triangle Park, North Carolina. In view of your interest in this subject matter we believe that you may desire an opportunity to comment on this draft paper. We would appreciate receipt of your review by about the first week in January, if possible.

Sincerely,

Ken Bridbord
