FROM: W. C. Fletcher ✓
Corporate Quality Control

DATE: July 18, 1973

SUBJECT: Production and Quality
Problems with Non-Asbestos
PROFAX Recipes

Please attend a meeting in the Salaried Cafeteria today, Wednesday, July 18, at 2:30 p.m. prompt to discuss the above. This meeting will replace the normal Quality Control meeting at this time. Mary Lou will take notes and we shall finish by 3:30 p.m.

The proposed agenda is as follows:

1. Brief statement of OSHA and Customer requirements, and FOSECO commitments. (H.D.S.) — *Better should be invited.*
2. Production problems with current recipes. (J.C.M.)
3. Quality problems with recent products. (W.C.F.)
4. Technical Department recommendations. (A.S.)
5. Other points of interest.
6. Summing up and actions required. (E.A.)

WCF:mlr:194

*To see about special number for all
new recipes until used in and OK'd by
production.*
