JACK BURL RIDENOUR, JR.

having first been duly sworn, was examined and testified on his oath as follows:

EXAMINATION

BY MR. FLOYD

Q Would you state your full name, sir?

A Jack Burl Ridenour, Jr.

Q Mr. Ridenour, what is your business or occupation?

A I am an engineer with Ford Motor Company.

Q How long have you been so employeed?

A A little over 12 years.

Q What department are you in, if I may ask?

A The Design Analysis Engineering Department.

Q Okay. My name is Walter Floyd, Mr. Ridenour, and I represent the plaintiffs in this case.

I would like to ask you, there have been some Answers to Interrogatories filed by Ford in regard to various suppliers of asbestos, and I would like to go ove some of those with you.

First of all, can you give us the names of companies who supplied asbestos fiber to Ford Motor Compa from 1961 to 1975?

MR. KRAUSE: You mean in brake linings or clutch facings?

MR. FLOYD: Well, first of all, I want to ask
