Dear Sir:

Re: [REDACTED] v. Standard Oil Company
and others.

After reading your letter of November 30th, we
feel sure that you are correct in suggesting a conference on
this case. If you will let us know when you hear from Dr.
Wilder we will make arrangements to meet you in Cincinnati
or whatever place you would prefer. In the meantime we
will take no steps toward asking for a physical examination.

Very truly yours,

RUMMEL, BLAGG & STONE,

A. G. Stone
