SUBJECT: Vinyl Chloride Make-Up
Classes

During the month of February, Vinyl Chloride Training was conducted for those units in concern. Below is a list of employees in need of the training for 1993. The information on attendance was obtained from a batch job run on the Plant Training System (PTS).

Derivative Maintenance will be conducting the first make-up class on **Thursday, March 4**, in Training Room G, at 7:30 AM. A second make-up session is scheduled for **Thursday, March 11**, also in Training Room G, at 7:30 AM. For those in need of the training, this memo is being disseminated for their attendance.

Those employees yet to attend in 1993 are:
