Hi Jennifer! I just wanted to let you know we're working on your request as quickly as possible. We didn't receive the invitation until a week and half ago so please know we're moving as quickly as possible. There's a lot of people who have to review and approve everything the Secretary does which takes time to get their approval. I greatly appreciate your patience. I hope to have the final edits for you soon. Thank you!

Hi, Leila.

Here is a draft email for your review. Given that our conference is just three weeks away, would it be possible to get approval by Friday morning? We kept it very simple, with just a brief quote by Secretary Bernhardt (subject to his approval, of course).

Happy to make any changes!

Jennifer
