Producers Association

## Internal Correspondence

TO Executive Committee, Industry Promotion and  
Steering Committee, A. Kahn

FROM *J. C. Jackson*  
J. C. Jackson, President

SUBJECT Manuscript Submittal to Journal AWWA  
"Field Investigation of the Performance of  
Asbestos-Cement Pipe Under Various Water  
Quality Conditions" by E. F. McFarren, et al

DATE June 15, 1977

Enclosed for your immediate review and comment is a prepublication copy of a paper entitled *"Field Investigation of the Performance of Asbestos-Cement Pipe Under Various Water Quality Conditions"* which has been submitted for publication in the Journal of the American Water Works Association.

I have been requested by the Journal to review the manuscript. Please submit your written comments to me no later than June 30, 1977. If germane, I will attempt to incorporate them into my critique of the paper. If you have questions, please give me a call.

Do not reproduce or circulate beyond those corporate personnel with a "need to know" at this time.
