Dear Doctor Kehoe:

Referring to my letter to you of May 14th, I enclose copy
of Safe Practice Bulletin No. 52 "Lead Poisoning, Part 1",
issued by the Department of Labor and Industry of the Common-
wealth of Pennsylvania.

Thanking you for your courtesy in this matter and with kind
personal regards, I am

Very truly yours,

they allow^{ed} the samples to stand, but I do not regard this as satis-
factory technique, since during this period the blood can and does
undergo certain chemical changes which might well alter the distri-
