INTRODUCTION

I retired as President of KCAC, Inc. on December 31, 1993, with over 40 years of general supervisory, business and management experience. These years have included 11 years in industrial marketing, 11 years in litigation-related activities and 27 years in the asbestos business. I will be retained for a minimum of two years by KCAC as a consultant, primarily for regulatory and technical matters, on a time-limited basis.

POSITION OBJECTIVES

My main interest is in providing consultation services in my areas of expertise: general management, asbestos litigation, regulatory and legislative matters related to hazardous materials, and preparing/editing technical reports.

SPECIAL SKILLS AND EXPERIENCE

Almost 42 years experience in the supervision and management of people. For the last 12 years directly responsible for the management of a \$5,000,000 business.

Over eleven years experience with asbestos-related litigation, including: assistance in preparing interrogatory answers, giving depositions, attending trials, preparing affidavits, providing advice and assistance to defense counsel.

Re-elected September 1993 for two-year term as Chairman of the Board of Directors of the Asbestos Information Association of North America (AIA/NA), a position held since 1982. Was active in California Mining Association for twelve years.

Able to write clear, concise reports and compose articulate letters; able to work with, deal with and manage people; excellent communication skills; have published several papers and hold two patents related to asbestos; capable public speaker; well-known in world wide asbestos industry through the AIA/NA and the Asbestos International Association; very familiar with Federal and State regulations, especially with regard to asbestos; have presented testimony at many federal and state hearings on asbestos-related legislation or regulations; extensive travel experience, both domestic and foreign, including about 20 trips to Japan. Other countries visited at least once include Korea, Taiwan, Malaysia, Singapore, Kuala Lumpur, Australia, UK, France, Germany, Switzerland, Italy, Hungary, Belgium, Netherlands, and Canada.

To summarize, I have over 11 years of marketing experience, 11 years in litigation activities, 27 years in the asbestos business, and over 40 years of general business and management experience.
