Make contact insurance carrier & get status report. If they're paying TT please get weekly amount & beginning date TT started

#259.81

1-20-92

Per Chris Matyas at Crawford + Co. The clt. has been on TTD since ~~Aug. 20, 1990~~ Aug. 20, 1990. The clt's TTD rate is \$387.76 per week but this is being offset by his LTD benefit. Thus the clt's being paid \$127.95 per week. The clt's ~~TTD~~ LTD will expire on 8-22-92. If the claim is not settled before that time the TTD rate increases to \$387.76. The clt's last Med treatment was in May, 1991; although he takes prescription Rx's for his cond.

The clt has offered to settle for \$175,000. Chris said ~~clt~~ speak with our atty. for his recommend. + help us advised.
