Has the press release been finalized? I have not seen it.

Hi Stephen,

I think this should work. We will use this quote in a press release highlighting all the stops Administrator Pruitt makes during his visit to Texas. This quote will be included below the paragraph highlighting his tour of Toyota. I should have a draft of the release written by tomorrow afternoon that I can get in front of you before it's finalized.

Best,
James

Here is a draft quote. Could you please let us know if this works for you guys?
We are open to revisions. Also, could you give us the context or the press release that you are planning?

"We were pleased to show Administrator Pruitt our new headquarters in Plano, TX and to highlight the environmental sustainability aspects of the

new facility. Toyota previously announced it will invest \$10 billion over the next five years in the U. S., and the new headquarters is just one of those commitments to help grow American jobs.

We appreciate the opportunity to showcase our new Plano headquarters where we will soon have 4,000 team members working in a more collaborative way in order to better serve our customers."

I thought you all did not want any press coverage? We are fine to develop a recommended quote, but I want to be sure that we are fully understanding. If you do want press, is this going to be a press release? Do you want a Toyota quote as well?

Stephen -- good afternoon. This timeline and rough agenda looks great.

To Tate's point, the Administrator often will not eat at meetings but of course would take no offense to your bringing in lunch for the rest of the group. We shall leave that up to you.

My colleague Forrest, copied here, will travel into Dallas on Wednesday, the 9th and will likely reach out to you in hopes of scheduling a time to do a walk-through of the location.

Kindly let us know if there are any outstanding items we can address for you at this time. We look forward to meeting you next week.

Thank you so much,

Millan

Agree on the press. Fine on the 45

can/should we add a casual lunch?

Run of show proposal
(happy to edit if you guys
have something else in
mind)

First hour: Tour of new
campus with emphasis on
environmental
sustainability components.

Second hour: Time with 5-
8 Toyota executives to
discuss issues ranging

from the state of the auto industry, development and deployment of alternative fuel vehicles, CAFE, California ZEV mandate and any other issues of interest to the Administrator.

If needed, we could cut both segments down to 45 minutes.

Thank you.

Hi Stephen,

Thanks for being patient with us as we figure out the schedule. I believe we are set for the 10th, and we are planning on sometime in the morning. I wanted to loop in Tate Bennett she heads up our External Affairs and Millan Hupp who heads up our Advance and Scheduling. They will circle back with you for more details.

I appreciate your help, and happy that we found something that worked!

Subject: Toyota
visit -- need to
finalize

Maddy,

I have some
Toyota
executives
holding their
calendars open
for August 10 to
host
Administrator
Pruitt. I'm not
going to be able
to keep the
calendars held
much longer.

Can we finalize
the date and
time? We would
very much like
to host him. It's
less than two
weeks from now,
so I'll need a
time to be sure
we can be proper
hosts! Thanks.

Stephen
