

1 IHF-100, December of 1962, Pleural
2 Asbestosis, American Practitioner Digest of
3 Treatment.

4 Asbestosis and Carcinoma of the Lung, in
5 Cancer magazine, November of 1962.

6 IHF Number 72, dated 1967, The
7 Pneumoconioses.

8 And the last is IHF Number 117, dated June
9 of 1947, which is the Industrial Hygiene Foundation
10 report of a preliminary dust investigation for the
11 Asbestos Textile Institute by Mr. Hemeon.

12 MR. SMITH: Do you want to read a sentence
13 or two from the Hemeon report?

14 MR. IGNATOWSKI: Not at this time. You
15 don't have it on the overhead, do you?

16 MR. SMITH: Yes, I do.

17 MR. IGNATOWSKI: I am sorry, yes, I didn't
18 think I had that on the overhead.

19 THE COURT: All of those items will be
20 admitted in evidence.

21 MS. TOSTANOSKI: Your Honor, for the record,
