Subject: Press inquiry about EPA website

Hello,

I'm writing on behalf of Eliza Griswold, a reporter working on a book about fracking in Pennsylvania. She noticed that an article about the birth of the EPA was archived in likely January 2017: <https://archive.epa.gov/epa/aboutepa/birth-epa.html>. Is there anyway to know why and when it was archived exactly? My deadline is Tuesday next week.

Thanks,

Max
