The PLoS Medicine paper on “Why most published research findings are false” has been the most-accessed article in the history of Public Library of Science (2.5 million hits). Author of 6 literary books in Greek, two of which (“Toccatà for the Girl with the Burnt Face” (Kedros 2012) and “Variations on the Art of the Fugue and a Desperate Ricercar” (Kedros 2014)) were shortlisted for best book of the year
