Re: **Daniel J. Ross, et al. v. Conoco, Inc., et al.**
No. 90-4837 - Calcasieu Parish, LA

Dear Mr. Watson:

In accordance with Case Master Johnson's verbal instructions at the hearing on January 15, 1999, enclosed is a copy of a transcript of the testimony of Dr. Darell Bigner from a 1981 workers compensation claim which we obtained from Olin's outside counsel for that matter. (Dr. Bigner has been identified as a defense expert in PPG's answers to Plaintiffs' Interrogatories.) The transcript has been marked for identification with bates numbers OLI 6183-6242. I am also enclosing Olin's supplemental response to Plaintiffs' Interrogatory No. 14.

Very truly yours,

Carol A. Rutter
