Re: *Irma Bustamante, individually and as Personal Representative of the Heirs and Estate of Jose Peralta, deceased v. Owens Corning Corp, et al.*; In the County Court at Law Number Three of El Paso County, Texas
Cause Number: 99-3990

Dear Lou:

Please consider this letter a supplement to Chevron's discovery responses. Attached are drawings 015810 to 015867 which were sent to me from Englehard Corporation. These drawings were originally owned by Houdry, Inc. which apparently went out of business or was acquired by some other entity many years back. Two ex-Houdry employees, Buck Cross and Ed While acquired all of Houdry's HCC drawings for a consulting business they ran. When Buck Cross died last year, his office manager, sold all the drawings to Englehard, who provided copies of the El Paso HCC to me under subpoena.

Also attached are three photos of the HCC that J.E. Hayden had in his position and which he sent to me through Chester Hall, 015868-015870. They copied me on an e-mail, 015871, which may qualify as a witness statement which is also being produced. Also enclosed is a photo which Mr. Hall has made notes on, 015872.

Sincerely,

Jeffrey S. Alley
