Good afternoon, Sydney,

My name is Claire Killen, and I am with the Louisiana Association of Business & Industry. We are currently planning our fourth annual Federal Outreach Tour for September 12 & 13 in Washington, D.C.

Please find a letter attached respectfully requesting Administrator Pruitt to join us for either a dinner or breakfast—whichever may work best for his schedule.

If you should have any questions, please do not hesitate to contact me. I look forward to hearing from you.

Thanks!

Hi Sydney,

Thanks for your patience – we actually have two options for the November Annual Conference in Chicago, IL. Hopefully one of these works for his schedule!

The two dates/times we have for our Annual Conference are:

**Wednesday, November 8, 2017**

Opening General Session

3.00pm – 4.30 pm (*presentation time roughly 3.20pm – we start the session with some associate business*)

OR

**Friday, November 10, 2017**

Business Meeting and General Session

9.00am – Noon (*presentation time approximately 10.30/10.45am depending on how quickly the session flows*)

Please let me know if something is unclear. If I need to redo the speaker form, just let me know. Always feel free to call me if you have questions. 703.375.0483.

Thank you!

Best,

Liz.

Hi Sydney,

Thank you so much for the update! We are in the middle of our big Spring conference but I will get those details to you as soon as I can. Apologies for that delay, but I will check in with you once we are through this conference!

Thanks again!

Hi Liz,

So unfortunately it looks like the July 18<sup>th</sup> option wouldn't work. Would it be possible to get the details on the November date though?

Thank you!

Hello,

The Society of Independent Gasoline Marketers of America (SIGMA) would like to invite Scott Pruitt to speak at our Summer Legislative Conference. I have attached the speaker request form for Scott Pruitt for the event on July 18, 2017, following up on a personal invitation from Charles Michael Thornbrugh from the QuikTrip Corporation in Tulsa, Oklahoma, and member of SIGMA's Board of Directors, and our CEO Ryan McNutt. Please let me know if we can provide any further information.

Thank you.

Best,
