Bill, I wanted to ensure that you had seen this email or emails from PPO on the AA position.

I didn't want the possibility that it was directed to a wrong email and possibly lack of contact be an indication that things would move slowly.

Again, I appreciate your consideration and I don't want to bother you, however, I do want you to know you are everyone's first choice: PPO and the Administrator.

Ryan.

Subject: Checking In

Hi Bill,

I just wanted to check in with you. Our office has reached out to you several times regarding your clearance paperwork and I also put a call into you last week.

We have not received any paperwork back from you for the clearance process. This paperwork primarily consists of the OGE-278 and the SF-86.

Can you let me know if you are having issues accessing the systems? It would be great if we can get these forms back as soon as possible.

Thanks! My cell is **EOP/Ex. 6** if you need to reach out.
