Dear Bill:

Greetings! I trust that you are having a pleasant summer in St. Louis.

Bill, strictly at your convenience, will you please send me toxicity data/information on the following products?

Aroclor #'s 1232, 1248 and 1254

Of particular interest at this time, are inhalation toxicity and breakdown products data.

Your consideration of this request will be appreciated greatly. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. E. Long".
