Subject: Shanghai Health Study - conference call scheduled for Thursday, March 15 at 10 AM EDT.

All,

During the conference call last week we agreed to schedule another call for March 15, at 10 AM EDT. Please add the call-in information below to your calendar. An agenda will be forthcoming.

Attached is the new budget for the study based on the decision last week to move \$40,000 from contingency to the Steptoe & Johnson contract.

Also, the pace of events has made the monthly update seem unnecessary for February and March. Maybe we can discuss this on Thursday.
