Re: ConocoPhillips Company Permian Basin Facilities in New Mexico;
Administrative Compliance Order on Consent, Docket No. CAA-06-2021-3313

Dear Mr. Bhatte;

On January 26, 2021, ConocoPhillips Company ("ConocoPhillips") entered into an Administrative Compliance Order on Consent ("AOC"), Docket No. CAA-06-2021-3313, with the United States Environmental Protection Agency ("EPA") to resolve certain alleged violations of the New Mexico Administrative Code, which had been adopted into the New Mexico State Implementation Plan. Pursuant to the AOC, ConocoPhillips agreed to specific requirements as outlined in paragraph 27 to be completed within 180 days of the AOC Effective Date (i.e., no later than July 25, 2021).

EPA has received and reviewed your June 24, 2021, letter, required under AOC paragraph 27, of all work completed under the AOC. EPA hereby confirms that you have completed all requirements under the AOC satisfactorily. Should you have any questions regarding close-out of this AOC, please contact Enforcement Officer Jamie Salabogi at Salabogi.jamie@epa.gov or (214) 665-7533.

Sincerely,
