Hey Byron, executives from the Orange County, CA Water District will be in DC the week of the 24th and wanted to meet with the Administrator's office on the proposed listing of their groundwater site on the NPL and issues related to the Clean Water SRF. Thought you would be good to cover both. Attendees will be:

Denis Bilodeau, Board President  
Mike Markus, General Manager

Purpose: Make clear the District's support for listing the ground water contamination site in Orange County on the Superfund National Priorities List and discuss the coalition OCWD is putting together to boost funding for the EPA Clean Water and Drinking Water SRF's and modernize the funding formula.

They are here Monday, July 24th through Wednesday the 27th. Let me know if you have 30 minutes.

Thx
