Joseph C. Aub, M. D.
Massachusetts General Hospital
Boston 14, Massachusetts

Dear Joe:

I have postponed my trip to Boston to three days at the end of next week when I hope you may find the time to discuss with me some of the matters referred to in the enclosed copy of a letter just written to Doctor Byers.

These young Baltimore paint eaters are a real headache and I need all the advice I can get.

Sincerely yours,

enc.
