Mr. A. Butterworth
The Dow Chemical Company
400 Market Street
Camden, New Jersey

Subject: CHLORINE - VINYL CHLORIDE MONOMER

Dear Mr. Butterworth:

We have been informed by our Akron office that arrangements have been made for Dow to purchase chlorine, for March delivery, to be applied immediately against our vinyl monomer schedules. The following are the quantities and sources:

- A. Stauffer Chemical Company
(4 cars - 220 tons)
- B. Pittsburgh Plate Glass
(10 cars - 550 tons
Mr. Jack Gregory -
Pittsburgh, Pa.
412-281-5100)

Please confirm to us promptly how much vinyl chloride monomer will be derived from the foregoing 770 tons of chlorine and how soon our shipping schedules will reflect the increases.

Very truly yours,

E. T. BURGESS
Purchasing Agent
