NOTE: Numbers Used Refer to Purchasing Savings Definitions

Please note contract requires that Contractor must perform appx. \$29,000 work on or before 8/9/78 and \$20,000 after 9/2/78. The express requirement for the \$29,000 is for (1) having ore ready for trucking to King City and (2) for 1977 Mining Claims assessment work which must be completed on or before 9/1/78. The \$20,000 work after 9/2/78 is required to fulfill our 1979 mining claims assessment work.
