Thank you Tate,

Good afternoon all – it is wonderful to make your acquaintance via email and I look forward to meeting you next week. I will be on the ground, along with a member of the Administrator's security detail, on the evening of the 10th and would love to schedule walk-throughs with you for the afternoon of the 10th and morning of the 11th.

Please let me know when you all might be available those days.

Alice – is there a good time today or maybe tomorrow that I might give you a call to walk through the agenda for the 12th?

Thank you so much,

Millan Hupp

Hi Katherine,

Good news! I was actually just about to email you an update. The Administrator's plans have altered and we are now looking at the morning of the 12th INSTEAD of the 13th. Would that still be an option for Governor Bryant? The topic is WOTUS mostly, among others. I'd be happy to chat on the phone if that is easier. 202-329-3948. Give me a shout when you can.

Best.
