

1 overreach, we are not going to ask that that be
2 submitted.

3 THE COURT: I understand.

4 Mr. Shellenberger.

5 MR. SHELLENBERGER: We have the verdict
6 form, Your Honor.

7 THE COURT: I was wondering where it was
8 since he mentioned it and I haven't seen it.

9 MR. SHELLENBERGER: Yes, but ours does
10 contain the traditional number 5.

11 It does have the strict liability on it, and
12 we would ask that it be given in the Grewe case.

13 THE COURT: Mr. Williams.

14 MR. WILLIAMS: Well, Your Honor, I find
15 myself in an interesting position.

16 I certainly don't want to object to the
17 deletion of a cause of action against my client, but I
18 am a little -- maybe I don't understand what Mr.
19 Hoffman was saying.

20 If I am misunderstanding it, then -- or if I
21 am understanding it correctly, I am concerned.
