Dear Dick:

Thank you for your note of May 30 and the copy of Ms. Flannery's May 22 letter.

Nuturn feels very strongly that in this area we all must look not only at specific regulations and statutory requirements, but also relevant case law. In that context, we do recommend that warnings be adopted by Sears, Roebuck & Company and it seems most appropriate that we have a meeting with direct representatives of Sears, as well as Maremont, to review internal practices and to review the various other inputs that Nuturn has considered in adopting its position.

Sincerely,

ROBERT C. ROGERS
President
