Staff confirmed that this time works for them. We can meet in Troy's office instead of the conference room. Thanks.

Today does not work for HOGR staff, so I'm checking to see if this can work for you. Please let me know ASAP.

Thanks!

If this time can work for everyone, I'd like to offer this time to HOGR staff for a conference call to discuss the new Chairman Chaffetz letter (attached). Our goal would be to see what information/ documents they still want from EPA.

Please let me know, as soon as possible, if this time can work for you.

Thanks.

Subject: Cookies!

Somehow, we managed to let our [redacted]'s birthday pass by without recognition. To make up for it, please come down to the Deputy's office at 12:30 today to sing the birthday song for the sake of [redacted]'s embarrassment, and let's all eat a cookie together.

AND Shhhhhhhh! Keep it quiet. He told me he didn't want me to do anything, but I know he was lying.

PS: Please forward if you see someone's name missing.

4/25/17 Update: We just learned about another Senator Whitehouse letter -- this one on "Carl Icahn's role in any concluded or ongoing discussions concerning the Renewable Fuel Standard (RPS)".

Just adding another new air-related letter (this one from Senator Whitehouse) for the discussion next Tuesday.

Placing this on the calendar to discuss how we should respond to the two attached oversight letters from Senator Carper and others.

Hope this time works for all. Thanks.

Show Time As Tentative

Chris Grundler's flight from AA has been delayed repeatedly today and is now lacking a plane that works. He is unclear when he will arrive today so we need to reschedule for tomorrow. This slot looked the most open. Can folks make this work? Thank you, Pat

The purpose of the meeting is to meet Chris Grundler and discuss Representative Dingell's upcoming visit to our Ann Arbor lab.

While I realize not everyone will be on the lab tour, I thought it would be nice for the opportunity to meet Chris.

Hi Everyone –

As you know, the Public Affairs Directors (PADs) and Regional Congressional and Intergovernmental Liaisons (RCLs) National Meeting is next week: Tuesday, May 9th through Thursday, May 11th. We are excited to host everyone in headquarters. This is a great opportunity to meet our new leadership and to gain a better understating of the upcoming priorities for media, public engagement, and congressional and intergovernmental relations. Over the course of the three day meeting, we hope to have robust conversations with all of you. As the key communicators of our Agency, there will be many discussions on topics related to both the Office of Public Affairs and the Office of Congressional and Intergovernmental Relations, including strategic communications planning, internal communications, response and crisis communication, and the legislative outlook. See the draft agenda <(b) (6) [redacted] for the full list of agenda topics. Please plan to attend the meeting to learn how we can better coordinate as partners serving in our roles as the principle point of contact with the our external partners, media, public, congress, states, tribes, and local governments on protecting human health and the environment.

If you have any questions in advance of the meeting please do not hesitate to contact Stephanie Vuong, Melissa Saddler, Nancy or me.

Thank you, Robin

Hi Everyone –

As you know, the Public Affairs Directors (PADs) and Regional Congressional and Intergovernmental Liaisons (RCLs) National Meeting is next week: Tuesday, May 9th through Thursday, May 11th. We are excited to host everyone in headquarters. This is a great opportunity to meet our new leadership and to gain a better understating of the upcoming priorities for media, public engagement, and congressional and intergovernmental relations. Over the course of the three day meeting, we hope to have robust conversations with all of you. As the key communicators of our Agency, there will be many discussions on topics related to both the Office of Public Affairs and the Office of Congressional and Intergovernmental Relations, including strategic communications planning, internal communications, response and crisis communication, and the legislative outlook. See the draft agenda <(b) (6) for the full list of agenda topics. Please plan to attend the meeting to learn how we can better coordinate as partners serving in our roles as the principle point of contact with the our external partners, media, public, congress, states,

tribes, and local governments on protecting human health and the environment.

If you have any questions in advance of the meeting please do not hesitate to contact Stephanie Vuong, Melissa Saddler, Nancy or me.

Thank you, Robin

Hi Troy – Our Committee is looking at a hearing on sue and settle abuse involving EPA statutes (CAA, CWA, ESA). I left a message with you about the hearing yesterday, and wanted to follow up regarding the nature of the hearing, and potentially having an EPA witness testify. Let me know if you have time for a brief call today.

Thanks,

Subject August Recess Travel Planning Discussion

Location DCRoomARN3528/OCIR

Show Time As Busy

The August recess will be here before we know it and hill schedulers are already starting to lock in dates for their members recess plans. I am going to pull all of the requests we have from MOC's and Govs to see which events we could/should do and build programs around those events.

Also, we should think about events that allow the Administrator to highlight his/POTUS' accomplishments.

The purpose of this meeting is to start to build out the framework for a robust August travel scheduler.

Subject Meet and Greet w/LGAC Member Mayor Johnny DuPree
Show Time As Tentative

This meeting is an informal meet and greet with LGAC Member (and SCAS Vice-Chair) Mayor Johnny DuPree. The meeting will be in the Bay area of the Immediate Office.

Note: Mayor DuPree is in D.C. to testify on water infrastructure and integrated planning before the House Transportation Committee.

Biography:

The Honorable Johnny DuPree, Ph.D.

Mayor, Hattiesburg, MS (Elected-D)

Hattiesburg, MS

Population: 47,169

Nominated by: Region 4 and supported by OECA

Johnny DuPree was elected in 2001 as the first African-American mayor of Hattiesburg after winning 53% of the vote. DuPree has championed locally owned small business while also being active in industrial recruitment. Despite damage to the city resulting from Hurricane Katrina <http://en.wikipedia.org/wiki/Hurricane_Katrina> and a global recession, the health of Hattiesburg's small businesses remained steady during DuPree's tenure as mayor. Mayor DuPree has provided leadership to his city which ranked 68th among 313 metropolitan areas in the United States for "economic strength" and sustainable development. He has championed green approaches to promote a clean and safe environment providing well maintained cycling trails and amenities. The Longleaf

Trace is rated one of the top trails in the nation. The trail runs through piney woods, wetlands and small towns throughout Southeast Mississippi. He has also provided leadership for his city to develop a comprehensive plan, the Twin Forks Rising Master Plan which sets forth the foundation for livability and sustainability. He has served on EPA's National Environmental Justice Council and served very actively to provide recommendations on Katrina redevelopment. He has B.S. and M.S. in political science from University of Southern Mississippi and a doctorate in education from Jackson State University. Mayor DuPree serves as the Vice-chair of the SCAS.

Show Time As Busy

Good morning all,

Just a reminder that the next meeting of legislative affairs teams will take place next Friday, May 19th at 9:00 am in room 212 of the EEOB. As Marc mentioned last week, we'll do our best to keep it to 30 minutes.

If you do not have WH Badge access, please fill out your information via the link below. As a reminder, the information you submit must match what is on your driver's license.

(b) (6), (b) (7)(C)

Please let me know if there is anything you'd like us to address and I will make sure it's added to the agenda.

Finally, if there has been any changes to your leg affairs teams, please let me know so I can ensure our records are up to date. It would also be helpful to get everyone's direct office and cell phone numbers. I've re-attached our team's information as well.

Look forward to seeing everyone next week.

Best,
Cat

Hi Sydney,

There are no ethics concerns with respect to this event. Because it's all official government activity, the lunch is not even considered a gift (lunch from the government is not a gift).

Meeting Purpose:
This meeting was requested by Brittany Bolen\DAA OP
Matt Dalbey, Director of OP's Office of Sustainable Communities (OSC), to get better acquainted with their on-the-ground work and possibly identify Congressional/state/local opportunities surrounding OSC's community assistance efforts. We are working on the ground in 14 communities this month. I think it would useful for OCIR and OSC to connect on upcoming events.

UPDATE: Adding a draft response and the May 5 letter it references. The Administrator was also asked about this during the appropriations hearing:

McCollum:

Another thing that's just been in the news and I'm sure -- well, I'm not sure -- I know you saw it that there were reports that you failed disclose e-mail account that you had while you were attorney general, the one at esp@oklahomaag.gov <mailto:esp@oklahomaag.gov> .

And it's kind of distressing because at your hearing you said you only had two e-mail addresses and now this third one came forward. So you weren't completely accurate at the time. And Senator Whitehouse said that you had several opportunities to correct the record on your e-mails. He -- in fact, he has a letter, which I'm submitting for the record, that goes on to say, "Since your (ph) public disclosure of your e-mails that Congress is learned of your relationships with energy companies that now regulate the EPA."

So, I want to, for the record and you can get back to us asking what

you're using for e-mail addresses as EPA administrator, what other forms of electronic communication that you're using because I want to build a level of trust between all of us. So, that ...

PRUITT:

If I may, both in my oral testimony as well as in -- there's a letter actually that's submitted to EPW in May that recognized multiple states e-mail accounts. So, there's been a consistency there that the representations that you're citing are not accurate. So, we have informed the committee that was consistent with my oral testimony. We will provide you information about the current activities as well.

Hi all – This is to discuss the attached letter from Senator Whitehouse and others on the Administrator's email addresses while OK AG. Please let me know if anyone else should be involved. Please note that this is not our usual room – 3528 is at the opposite end of the hall.

Thanks,

Kyle

Hi everyone –

An important part of the FY 2019 budget development process is the Senior Leadership Council meeting. This meeting brings together all the senior leadership, HQ and the regions, to discuss agency priorities and resource needs in order to inform decisions for the FY 2019 Budget due to OMB in mid-September. Given there are many people new to this effort, Tuesday afternoon is dedicated to hearing from the program teams to establish a common understanding before launching into Wednesday's planning and resource discussions. Wednesday's sessions begin by setting the stage with presentations and discussions on key building blocks for the FY 2019 budget followed by small group and full group discussions to identify programmatic options for consideration in the FY 2019 OMB Submission. On Thursday, updates are proposed on the First Line Supervisor Advisory Group efforts and Executive Order implementation.

An agenda with more details will follow shortly and be included in the meeting invitation. You should receive and invitation for each day since the times vary. In addition, invitations to the +1s for Wednesday, 7/19, will be sent separately.

If you have any questions please do not hesitate to reach out to Mike Flynn or me.

Thank you, Robin

Subject Senior Leadership Council Meeting - Day 2
Location WJC-N 3rd Floor, The Green Room
Show Time As Tentative

Hi everyone –

An important part of the FY 2019 budget development process is the Senior Leadership Council meeting. This meeting brings together all the senior leadership, HQ and the regions, to discuss agency priorities and resource needs in order to inform decisions for the FY 2019 Budget due to OMB in mid-September. Given there are many people new to this effort, Tuesday afternoon is dedicated to hearing from the program teams to establish a common understanding before launching into Wednesday's planning and resource discussions. Wednesday's sessions begin by setting the stage with presentations and discussions on key building blocks for the FY 2019 budget followed by small group and full group discussions to identify programmatic options for consideration in the FY 2019 OMB Submission. On Thursday, updates are proposed on the First Line Supervisor Advisory Group efforts and Executive Order implementation.

An agenda with more details will follow shortly and be included in the meeting invitation. You should receive and invitation for each day since the times vary. In addition, invitations to the +1s for Wednesday, 7/19, will be sent separately.

If you have any questions please do not hesitate to reach out to Mike Flynn or me.

Thank you, Robin

Hi all – This meeting is to discuss our response to the attached congressional minority oversight letter, which requests the following:

1. all documents relating to or regarding any expenditure made by any entity within your department to the Trump Organization or the President's trust;

2. all documents relating to or regarding any expenditure made by any entity within your department to any business in which the Trump Organization has an

ownership stake;

3. all documents relating to or regarding any expenditure made by any entity within your department to any business with which the Trump Organization has any

that bears the name "Trump" in its title; and

4. all documents relating to or regarding any expenditure made by any entity within your department in conjunction with any travel undertaken by any member of the Trump family to promote a business in which the Trump Organization has any ownership stake, licensing agreement, or similar contractual arrangement.

EPA HURRICANE HARVEY EXECUTIVE UPDATE

(b) (6) CODE (b) (6)

When speaking please identify yourself and organization. Please MUTE your telephone when you are not speaking.

WELCOME REMARKS – Sam Coleman, Acting Regional Administrator

WEATHER/STORM FORECAST –

NOAA tracks the storm and up-to-date information is available at http://www.nhc.noaa.gov/ .

MANDATORY EVACUTION UPDATE –

Update of local jurisdiction Reports

FUEL AVAILABILITY UPDATE –

Update of State Reports

STATE/TRIBAL FEMA ASSISTANCE REQUEST STATUS –

As of today, FEMA has not received any assistance requests from the states of Texas or federally recognized tribes. Texas Governor Abbott has declared state of disaster for 30 counties. Louisiana Governor John Bel Edwards declared a state of emergency for the entire state of Louisiana in anticipation of severe weather as a result of Hurricane Harvey.

EPA READINESS/PREPAREDNESS –

While EPA has not been formally tasked by FEMA at the request of impacted states or tribes, EPA is

SUPERFUND NPL SITE STATUS –

In preparation for severe weather impacts, EPA assesses conditions at the NPL Superfund sites in the storm's pathway to identify potential impacts and countermeasures. Following the storm and receding floodwaters, EPA conducts rapid assessments to identify damage at sites and initiate cleanup plans if necessary.

PRIMARY INDUSTRIAL FACILITIES –

In preparation for severe weather impacts, EPA assesses conditions at the major industrial facilities in the storm's pathway to identify potential impacts and countermeasures. Following the storm and receding floodwaters, spills and releases are reported to the National Response Center. NRC notifies US Coast Guard or EPA based on preapproved jurisdiction boundaries. EPA conducts follow up inspections and damage assessments in response to reports within EPA jurisdiction.

PUBLIC WATER SYSTEM STATUS –

About 300 Public Water Systems are in the path (red zone) of Hurricane Harvey in Texas. Water systems often have problems due to flooding or loss of power during Hurricanes. Region 6 has developed a tracking system for us to identify systems in the storm's pathway. Both Texas Commission on Environmental Quality and Louisiana Department of Hospitals have uploaded their potentially impacted systems into Response Manager which enables planning for rapid assessments to restore water systems after the storm passes and flood waters recede.

EMERGENCY FUEL WAIVER STATUS –

The typical emergency fuel waiver request follows a path something like the following. An industry member will identify a failure in the fuel distribution system or at a refinery and raise it to Kurt, DOE and/or the state and Region. Since gas stations typically take deliveries two to three times per week, we normally have 24-72 hours before the system failure will lead to a retail shortage. In that time, the EPA/DOE team will hold calls with the potentially impacted state and industry to validate the issue and confirm relief is justified. Once an issue has been identified, the state air director on behalf of the governor will make a request for specific relief. The OECA team drafts a letter granting the relief for the Administrator's signature. DOE and OAR give concurrence on the letter and it is sent to the Administrator for signature. The signed waiver is quickly then disseminated to the impact states and industry members. The EPA press team will also issue a press release to increase awareness of the actions being taken to address potential fuel shortages.

COMMUNICATIONS UPDATE –

DHS Public Affairs initiated the National Incident Communications Conference Line on Thursday, August 24 and calls continue daily. The NICCL is a standing conference line designated, maintained, and supported by DHS Public Affairs as the primary means for interagency incident communications information sharing during an incident requiring Federal coordination. DHS Public Affairs provides guidance to Federal interagency public affairs headquarters staffs and affected authorities through the NICCL.

Subject: August 30 White House Infrastructure Event Invitation for State and Local Leaders
Importance: High

Good Morning State Agriculture Directors/Secretaries/Commissioners,

On behalf of the White House Office of Intergovernmental Affairs, this email serves as an invitation for you to attend our upcoming event, the White House Conversation on Infrastructure: Empowering State and Local Leaders on Wednesday, August 30th from 2:00pm – 5:30pm.

Invitees include a mix of state and local leaders (State Econ. Dev. Directors, State DOT Directors, State Ag. Directors, State DNR Directors, State Budget Directors, County Commissioners, Mayors, and Tribal Leaders). Over the last several months, Federal leaders have hosted

several conference calls and in-person meetings with state, local, and tribal leaders to gain perspective and input on infrastructure challenges and opportunities. We have incorporated that input into action and leveraged it to help shape our guiding principles.

(b) (5)

Participants will take part in a discussion with members of the President's National Economic Council (NEC), Special Assistant to the President for Infrastructure, D.J. Gribbin, along with special guests including Senior White House Staff and Cabinet Members (Secretary Elaine Chao and Director Mick Mulvaney).

To add further value to your trip to Washington, we will also be hosting an informal discussion (in addition to below forum agenda) with Ray Starling, Special Assistant to the President for Agriculture, Trade and Food Assistance and representatives from USDA and a few folks from USDA before the formal programming starts from 1:00 to 1:50 pm EDT. This informal discussion will provide attendees to discuss non-infrastructure priorities with members of the Trump Administration. The location for this general agriculture discussion will be the Eisenhower Executive Office Building, Room 472.

To add further value to your trip to Washington, please let us know if there are any ancillary meetings that we could work with you to arrange. If you have any questions, please contact either one of us or Chris Gray at (b) (6) .
We look forward to you joining us!

UPDATE: TODAY'S AGENDA ATTACHED! Thanks all and see you later today.

All – Attached: Updated List of Local Officials Attending Tomorrow's Meeting. Needless to say, some cancellations from those representing areas of Florida. Thanks!

All – We are "re-sending" this Invitation to reflect updated specifics on the scope of the upcoming meeting with NLC Leadership. With this invite, we are adding some Program staff, and some other Program Offices invited initially should remove this meeting from their calendars consistent with what will and what will NOT be discussed. Thank you all for your flexibility throughout.

Please note the following: The Meeting will focus on these topics: (1) Clean and Drinking Water SRFs; (2) WIFIA; (3) Integrated Planning; (4) Regulatory Issues.

**The initial list of topics for discussion included: Superfund; Brownfields; updated to include Federalism; Sustainable Communities. These topics will now NOT be part of the discussion. If you are in Program Offices with jurisdiction over these topics, you are free to REMOVE this MEETING from your Calendars please.

Meeting: A Delegation (full list of NLC attendees attached) of National League of Cities Leadership, led by Deputy Mayor Cynthia Pratt (Lacey, WA), Vice Chair, Energy, Environment and Natural Resources Committee – with - EPA Senior Leadership from OCIR; Office of Water (OW); Office of Policy; Office of Federal Affairs

Scope: The leaders are seeking insight on how cities and towns and the Administration can partner to find solutions to the challenges facing their communities, including improving the nation's infrastructure, reducing regulatory burdens, and ensuring that the federal budget priorities meet the needs of their citizens and communities. They are looking forward to dialogue on priority areas of concern, i.e., the Clean and Drinking Water SRFs; WIFIA; and, Integrated Planning, and how these priorities are reflected in the 2018 Budget Proposal.

NLC members will share their perspectives and look for discussion based on the following questions that they are pondering ahead of the meeting:

* How are programs like the Clean Water and Drinking Water State Revolving Loan Funds (or other programs like WIFIA) important to your community? How could P3s be a solution for your water infrastructure challenges – or how would P3s not be a solution for your community? [They will come prepared to give brief overviews of individual water infrastructure projects & funding needs]

* How can integrated planning help address local challenges around stormwater and wastewater management? How would additional flexibility through the permit process benefit your city? Are high water rates a burden for your citizens?

* What are some regulatory challenges your community is facing? How could streamlining the NEPA environmental review process and the permitting process help your community?

DRAFT Agenda:

4:45 pm – 4:55 pm: Welcome and Introduction of NLC Leadership and EPA Senior Leadership:

Layne Bangerter, Deputy Associate Administrator for Intergovernmental Relations, Office of Congressional and Intergovernmental Relations, US EPA

4:55 pm – 5:00 pm: Remarks/Overview of NLC Priorities: Deputy Mayor Cynthia Pratt, Vice Chair, NLC EENR

5:00 pm – 5:25 pm: Round Robin Highlights of Local Priorities: NLC Leaders

5:25 pm – 5:45 pm: Dialogue: EPA Senior Leadership and NLC Leadership

5:45 pm - Closing

Background: These key local leaders, representing a cross-section of communities from across the nation, have characterized this "Federal Advocacy Committee Annual Fly In," as an opportunity to interact with Members of Congress and the Administration to ensure that federal policy issues and initiatives important to cities and towns remain a priority in the nation's capital. NLC CEO and Executive Director, Clarence Anthony, sent a formal invitation requesting that the delegation meet

with Administrator Pruitt. As the Administrator is not available, the NLC leaders appreciate the opportunity to engage with EPA leadership in his stead.

Attached: -Response following WH Meeting on Infrastructure; -NLC Letter to Administrator; - NLC Letter to House Appropriations and Interior, Environment and Related Agencies Leadership; -Updated List of Attendees for Sept. 7th meeting with EPA

Meeting: Tualatin Hills Park and Recreation District

Re: Synthetic Turf Infill Study; Health and Environmental Concerns

Representing the District:

Jerry Jones, THPRD elected Board Member

John Griffiths, THPRD elected Board Member

Ali Kavianian, THPRD elected Board Member

Keith Hobson, THPRD Director of Business and Facilities

Mary Cronin, Smith Dawson & Andrews (copied above)

Background: District officials met last year with EPA to discuss health and environmental concerns around Synthetic Turf Infill. The district has a five year agreement with Field Turf as their sole source provider. This agreement includes the use of standard cryogenic rubber infill. The officials wanted to know if EPA would be conducting an Infill Study. At that time, the district was considering changing their practice, and discussed their plans with EPA staff. EPA staff informed about plans for the Study. Since that time, ORD has informed the officials that we are working toward completion of the study. Updates will be on the public EPA website when available. EPA plans to complete the study by the end of the calendar year. The September 12th meeting will provide an opportunity for dialogue and for EPA to give further updates on the progress of the study.

Meeting: Senior Managers of the Modesto <http://www.mid.org/> and Turlock <http://www.tid.org/> Irrigation Districts, and the San Francisco <http://www.sfwater.org/> Public Utilities Commission (SFPUC),

Topic: Relicensing of the Don Pedro Hydroelectric Project (FERC No. 2299) on the Tuolumne River, California. The two Irrigation

Districts hold the federal license for the project, whose operations directly affect SFPUC water and power facilities on the Tuolumne

River.

The Districts, which are public agencies, will submit a final revised relicensing application to FERC in September. The Districts and the SFPUC would like to discuss the use of water temperature models that are more appropriate to conditions in Central California than the older EPA model currently being used by the National Marines Fisheries Service (NMFS) in studies related to the development of mandatory licensing conditions for the Don Pedro Project.

ATTENDEES:

9/18/2017 - Update

EPA Colleagues –

I'm adding a few last-minute PowerPoint slides for those of you on the phone.

Dave Kling

****

EPA Colleagues –

I've scheduled a meeting on the nation's disaster recovery framework and EPA's various recovery program activities, as indicated in my note earlier today (Tues., 9/12, which is attached).

My apologies for scheduling this meeting at noon Monday (9/18), just before the EPA Senior Staff meeting, but your busy calendars did not afford any good common time over the next week or so. The meeting is particularly important for Samantha, Lee, Patrick, Troy and other members of our political team, who have less experience with this subject, so if they (or their designees) are unable to attend, I'll reschedule.

My attached message includes several attachments, including a short summary and talking points on EPA's recovery program activities.

Finally, I've provided a call-in number for our Regional colleagues and others who must participate that way.

Call me at 202 564-0317 if you have questions.

****

Hi all – This meeting is to discuss our response to the attached congressional oversight letter on workforce reduction and budget.

I know this time doesn't work for all of the invitees but I doubt we can find a time that works for everyone due to our numbers. If you are critical to the response and cannot attend, please let me know. Tuesday, 9/26, at 4PM may also be a possibility.

Thank you,

(b) (6) Code: (b) (6)

Meeting: Fort Wayne, IN Local Officials: Justin Brugger, Chief Financial Officer, City Utilities; Matthew Wirtz, Deputy Director/Chief Engineer, Fort Wayne City Utilities; Larry J. Kane, Partner, Bingham Greenebaum Doll, LLP. Accompanying: Roger Gwinn, CEO; Bill Ferguson, Chairman Emeritus; Zach Israel, Senior and Manager of Legislative Affairs, The Ferguson Group (Ferguson Group Contact – copied above)

Purpose: Concerns with past EPA policies governing how water quality revisions made on the basis of use attainability analyses (UAA) are integrated with enforcement of combined sewer overflow (CSO) long-term control plans (LTCPs). The City requests a meeting with EPA to discuss the City's ongoing interest in the use of the UAA as the basis for seeking a variance to the City's CSO LTCP.

Lead Offices: OW (Water Permits Division; OGWDW; OST); OECA (Water Enforcement Division); Region V; OIR

Troy/Brittany/Samantha,

See below. Looks like Brittany did such a great job that OGR now wants an EPA witness to testify on an agency panel on our regulatory reform task force work! Really not a surprise, looks like they are having every agency come in and do this at a hearing. They offered November 14th or 29th, definitely recommend we [redacted]. Suggest we discuss internally when you all have a moment.

Subject: Regulatory Reform Task Force

Aaron and Christian,

Thank you again for the Agency's briefing on its Regulatory Reform Task Force. As you know, the Committee has been working toward having key agencies up to testify on the progress of their task forces in implementing EOs 13771 and 13777, with our first hearing last Tuesday with DoD, GSA, and DoT. I'm reaching out in advance to let you know we were impressed with the work you all have been doing and were hoping you would be able to send up your RRO (or Administrator's designee) on November 29th at 10am to join a panel of other agencies to talk about your progress. Alternatively we have secured the morning of the 14th as another option, but were able to buy a bit more time to have you all up toward the end of the month.

Let me know if that works on your end or if the 14th works better for you schedule-wise. Happy to discuss further if you have any questions – 202-725-7398.

Thanks!

Christina

Troy/Brittany/Samantha,

See below. Looks like Brittany did such a great job that OGR now wants an EPA witness to testify on an agency panel on our regulatory reform task force work! Really not a surprise, looks like they are having every agency come in and do this at a hearing. They offered November 14th or 29th, definitely recommend [redacted] Suggest we discuss internally when you all have a moment.

Subject: Regulatory Reform Task Force

Aaron and Christian,

Thank you again for the Agency's briefing on its Regulatory Reform Task Force. As you know, the Committee has been working toward having key agencies up to testify on the progress of their task forces in implementing EOs 13771 and 13777, with our first hearing last Tuesday with DoD, GSA, and DoT. I'm reaching out in advance to let you know we were impressed with the work you all have been doing and were hoping you would be able to send up your RRO (or Administrator's designee) on November 29th at 10am to join a panel of other agencies to talk about your progress. Alternatively we have secured the morning of the 14th as another option, but were able to buy a bit more time to have you all up toward the end of the month.

Let me know if that works on your end or if the 14th works better for you schedule-wise. Happy to discuss further if you have any questions –[redacted]

Thanks!

Christina

Subject: Re: Requesting meeting with EPA Team Regarding Black Fly Registration

Hi Ryan and Aaron,

I understand you have been an incredible help to our constituent (Sterling International) as they deal with concerns over their competitor's (Black Fly) compliance with EPA's chemical registration process. Thank you so much!

Despite your help, we just heard EPA will no longer require Black Fly to register their products and comply with the same standards. As you may recall, our constituent's company, Sterling, paid over $2 million complying with these standards. And to make matters worse, after they registered their formula Black Fly was able to copy it.

The Congresswoman's goal is fairness. She has been working on this issue for nearly a decade, dealing with much pushback and delay during the former administration. We appreciate your attention to this matter and would like the chance to learn more about why Black Fly and Sterling International seem to be treated differently.

Could we set up a meeting with the Congresswoman and the following:

* Representative from EPA biopesticides office

* Representative from EPA enforcement and compliance office

* EPA General Counsel

* An EPA political appointee

Is there someone on your team who can help us set this up? We'd like to get something on the books as soon as possible.

Thank you very much,

Ian

Ian Field

Chief of Staff

Congresswoman Cathy McMorris Rodgers (WA-5)

Mary and Jerry,

Apologies for our delay in getting back to you on this… mary, I understand you spoke with Aaron earlier about having this conversation on Monday of next week. (11/20) If that still works, it looks like Aaron and Troy have some availability between 11:00AM and 1:00PM, then again from 2:00PM-3:00PM and then at 5:00PM.

Do any of these times work for you to discuss the upcoming hearing?

Thanks,

Time 9:00 AM – 10:30 AM
Subject WJCN 2530
Location Training for Active Shooter Preparedness
Show Time As Tentative

AO Colleagues,

Please plan on attending EPA's Active Shooter Response Training on Thursday, December 7th in WJCN 2530 starting at 9:00 AM.

It's important to prepare for a possible active shooter situation by locating the primary and alternate exits closest to you and walking through your work area to identify:

* Potential hiding places that provide cover (ballistic protection) and concealment (shooter cannot see you).
* Items nearby that could improve cover/concealment.
* Ordinary office items you could use to defend yourself against an attacker/active shooter.

You are strongly encouraged to review the Occupant Emergency Plan (OEP) for the building where you work; please visit the HQ Security in the Workplace <http://intranet.epa.gov/oa/smd/hqsecurity/oep-index.htm> intranet site to access the OEPs for Headquarters buildings. More information can be found on the Active Shooter Response and Preparedness <http://intranet.epa.gov/oa/smd/activeshooterresponsetraining.html> intranet site.

Remember, during an Active Shooter event, you have three options based on where you are when you hear shots fired:

1. RUN: evacuate.
2. HIDE: seek cover and concealment.
3. FIGHT: take aggressive action.

If you have questions, please contact Bill Bellerose, HQ OEP Program Manager, at 202-566-2191 or bellerose.william@epa.gov <mailto:bellerose.william@epa.gov> .

Sean—Thanks for reaching out! Yes, I remember you well! I do not have time this afternoon but do have a lot of time tomorrow. Would tomorrow work for you?

How are you doing over at AG?

Subject: Connect this afternoon?

Hey Troy,

Nice to see you in your new perch over at EPA. I believe we worked together years ago in the Senate when I was with Bennet and you were with Hutchison. In any case, I was wondering if we might connect later this afternoon to talk about PRIA. I think others on your team at OCR and the career folks at OPP have been keeping you apprised, but figured it would be good to connect.

Let me know if you have 10 mins. Post 4pm is best for me, but I can probably do as early as 3:15.

Thanks,

Sean

OA Colleagues,

As shared in Ryan Jackson's message, the Administrator will continue the tradition of taking holiday photos with EPA staff. OA's designated time is Monday, December 18, 2 pm – 4 pm. Here are the instructions for the photos this year.

· If you are interested in a photo with the Administrator, please reply to this e-mail and cc Emilo Cortes (Cortes.Emilo@epa.gov <mailto:Cortes.Emilo@epa.gov>) by COB Today, Friday, December 15. The Administrator's office has requested a list of attendees by Friday COB to help manage the process. I sincerely apologize for the late email.

· Please plan to enter the Administrator's office using the William Jefferson Clinton South side entrance.

· You will be asked to gather/wait in the Green Room 10 minutes before OA's allotted time prior to entering the Administrator's office for a photo.

· Upon exiting his office, you will be guided to the Deputy Administrator's office.

· The official EPA photographer will take the picture of the Administrator and the individual staff member. In order to keep things moving, please do not bring your personal cameras, camera phones, etc.

· EPA employees should bring their badge to enter the Administrator's office and the Green Room.

· Please come promptly at the time assigned for OA.

· All photos will be posted online on EPA's multimedia site - http://intranet.epa.gov/media/. Once they are posted, you will be able to go on the website to select and download your photo.

Please contact myself or Emilo Cortes if you have any questions.

Thanks,

Helena

Protecting children's health is one of EPA's highest priorities and the agency continues to engage with stakeholders and assess recommendations from leading experts on ways to improve the health protections provided by the Lead and Copper Rule. Show Time As Tentative

Dear colleagues,

You are invited to participate in an Agency Call with OMB Senior Staff on Friday, January 12 at 4:00 PM ET to discuss appropriations lapse planning. Per OMB Circular A-11, we are convening this call with agencies one week prior to the expiration of appropriations, regardless of whether the enactment of appropriations appears imminent. While we will provide a legislative update on the call, we otherwise expect it to be largely pro forma, and we are not planning to share new information that was not already conveyed on previous calls.

Call Details

* Date: Friday, January 12
* Time: 4:00 PM ET, please join 5 minutes early to avoid connection delays
* Participant Dial-In: (b) (6)
* Access Code: (b) (6)

To avoid capacity issues, we advise that each agency call in from a single line. This call is off-the-record and not for press purposes.

Best regards,

The Office of Management and Budget

Subject: Follow-up: Potential HOGR, Subcommittee on National Security Hearing // Wednesday, Feb. 28th @ 2:00pm

Troy/ Marty,

Great chatting with both of y'all this afternoon – thanks for taking my calls.

Following our discussions, seems like we're all on the same page in terms of the request from House Oversight & Government Reform's, Subcommittee on National Security, to hold a hearing next Wednesday, February 28th at 2:00pm. At the DHS/ FEMA level, we concur with both of you that clearing testimony (both internally and through OMB), with this short of notice, is just not possible – not to mention the lack of time for witness preparation. Like all of you, we also agree that with proper notice (two weeks minimum) that we would be more than amenable to testify before the Committee.

In terms of next steps, I believe my colleagues at DHS will be reaching out to full committee staff as it relates to this hearing and will be back in touch with all of us – hopefully by the end of the day today – to

determine the path forward.
Thanks again for your help and I look forward to keeping in touch on this.
Thank you,
Jessi

Hi All –

Jim Ogsbury, the Executive Director for the Western Governors Association, is coming into the office on Monday with a couple of his folks to meet with EPA staff. This will be a very informal meeting. So if you are available, I am sure they would appreciate seeing you. If not, they will certainly understand. And plus they will get to spend time with Henry the day after at their state-federal summit.

Best,

Jack

Subject: Ceremonial Swearing-In for Matt Leopold as EPA's General
Counsel
When: Monday, February 26, 2018 12:00 PM-1:30 PM (UTC-05:00)
Eastern Time (US & Canada).
Where: EPA Headquarters, U.S. EPA Rachel Carson Green Room (1200
Pennslyvania Avenue NW)

Guests,

Please be advised of a slight time change for the Ceremonial Swearing-in of Matt Leopold as EPA's General Counsel on Monday, February 26, 2018. The ceremony is now scheduled for 12:00pm. in the EPA Headquarters, U.S. EPA Rachel Carson Green Room (1200 Pennsylvania Avenue NW). There will be a reception to follow.

Directions for Guests: EPA's address is 1200 Pennsylvania Avenue, NW. Please enter through the William Jefferson Clinton South building. If you are coming by taxi/vehicle, you want to be dropped off on 12th Street NW, between Pennsylvania and Constitution Avenue. The entrance is almost exactly halfway between the two avenues next to the Federal Triangle Metro sign and with the Trump Hotel across the street. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your right. This is the South Lobby entrance to the William Jefferson Clinton building. If you are coming by Metro, exit at the Federal Triangle Metro station, go up the escalators and the South Lobby entrance will be on your left as you exit at the top of the escalators.

Once inside the building, security will prompt you to scan all items such as bags, coats etc.. Please let the guards know that you were instructed to call Carla Veney or Monique Patrick on 564-8040 or 564-8064 to escort you to Matt Leopold's swearing in ceremony. Security will have the visitors passes for everyone.

Allow for 10-15 minutes to get through the process.

EPA Employees: Please bring your ID to show to security at the entrance to the Green Room.

Please rsvp to Carla Veney via veney.carla@epa.gov <mailto:veney.carla@epa.gov> by Feb. 22.

Thank you!

Subject: Meeting request

Hi Ryan,

I have a request- we once again have executive's coming to town from John Crane February 28th and March 1st. As Chris and I work to promote the good work happening in DC with the broader John Crane team, we thought once again hearing about the plans at EPA could be very beneficial.

When John Doniatello was here in September he was very impressed with the work being done at EPA. John has since shifted roles within John Crane. Our new VP or product marketing, Patrick Thompson, will be joined by Director, Eric Johnson, for their first visit to DC to have meetings with Chris and me.

Daniel, I don't believe we've had the opportunity to meet yet, but I've been friends with Ryan, Troy and Mandy for some time. I was previously

with API before joining Smiths, the parent company for John Crane, a manufacturer of mechanical seals for the oil and gas industry as well as water, chemical and others. We noticed you are involved in the Global Methane Conference coming up in April and other methane conferences coming this year we may also be involved in. I've included a one-pager on our Life Cycle Cost Calculator, a tool John Crane along with Fluid Sealing Association (FSA) have available to assist the o&g industry with making decisions for lowering emissions on centrifugal compressor units.

If you all have time available February 28th or the morning of March 1st, we would appreciate the chance to come in to discuss your outlook for the industry in the coming year, thoughts on the conferences coming up, as well as our work with our customers in industry.

Hope to see you all soon-- Hi Troy and Mandy!

Thanks,

Lisa

Liz and Troy:

Good morning! With the flurry of inquiries of media calls regarding various topics, we would like to meet with you both regarding the handling of OIG-related matters.

Good morning everyone:

Related to the Italy DoS invoices, I'd like to set up a time to discuss what we've discovered, what we need to do to close the loop on confirming we have all related invoices for this trip, and coordinate next steps. I'm handling a related FOIA matter in litigation that with a filing deadline next Wed. that is driving the need to develop a course of action. While I don't think everyone needs to participate, OEX, OCIR, OCFO and OGC should be represented.

Apologies for the sudden meeting invite. Please don't hesitate to reach out with any questions or concerns before the meeting.

Thanks,

Ed

Hi Tamika,

Troy Lyons (AA – OCIR) and DA Wheeler spoke about scheduling a "Hill Day" event where the DA would be able to go to the hill and speak to a number of different members/offices. I was wondering if you could give me some potential dates and times where we might be able to hold 3 or so hours on the DA's calendar for meetings and travel to and from the Hill?

Thanks,

Christian Rodrick

Per your request, below and attached is the draft Hill Day schedule for DA Wheeler on June 27th. As Michael and Tamika are aware, it is still evolving a bit as we are trying to see if we can fit Ranking Member Pallone and Congressman Johnson into the day, however it is looking like a pretty good afternoon at the moment.

2:00PM – Ranking Member Paul Tonko; 2463 RHOB

2:30PM – Chairman Ken Calvert; 2205 RHOB

3:00PM – Chairman Mike Conaway; 2430 RHOB

3:30PM – Rep. Richard Hudson; 2356 RHOB

For your awareness, I am looking to book end the meetings w/ Rep Bill Johnson at 1:30 and Ranking Member Pallone at 4:00, if possible.

Erik Baptist- Senior Deputy General Counsel, OLEM
Charlotte Bertrand- Supv Environmental Protection Spec, OLEM
Preston Cory-Director, Intergovernmental Relations, OCIR

In regards to the meeting, Governor Bryant would like to meet with whomever you may recommend to discuss a Mississippi company called Spartan and get a brief update on where we stand. A little about the project...Spartan makes a device that eradicates mosquitoes within an acre per unit, and they are currently seeking EPA approval to add a small amount of boric acid to the compound. The current compound is able to kill a particular mosquito strand that's indigenous to North America and parts of Central and South America. However in order for the product to

be effective elsewhere, they will need to add boric acid.

- Spartans mosquito eradicator was reported to EPA by the MS Dept. of Agriculture for a possible enforcement action

- The case was assigned to Justin Mullenix, EPA Region IV to review and determine if the product requires federal registration as a pesticide or if it is exempted from registration due to minimum risk associated with the product.

- Mr. Mullenix confirmed it will be months before he can review the product due to a backlog in pesticide enforcement cases

- Gov. Bryant has spoken with Administrator Pruitt about the matter.

Removing the House staff.

Lee and Bryan, I believe you two will be joining this call unless something changes. I will send you calendar invites shortly.

As you may already be aware, Corey is hoping that we will have a staffer visit the site either Friday or Saturday… if that's possible I imagine that person would come from Region 4. Either way, I think this call is mostly a listening session for us and figuring out what our best next steps are. Please let me know if there is anything else I can provide you with before the call.

Thanks, Corey. Do you have a specific timeframe?

Perhaps it would be good to do a joint call with our Office of Water to identify who the most appropriate person would be to visit the district so we can satisfy this request ASAP.

Christian—can we arrange a call with Corey and OW for next week?

Jeff – thanks for the connection.

Troy – we're having serious issues with algal blooms and cyanobacteria this summer – killing manatees, fish, and all other sorts of wildlife and causing health problems including respiratory and neurologic issues. It is my understanding that the water quality monitoring is carried out by the Florida DEP with EPA grants.

At this point, we're looking for an awareness of the problem – my boss

would like to invite somebody from the Agency to come see the water quality issues first hand and get to know the issues related to removal of disposal. We have put in similar requests with DOI (dead wildlife), NIH (Health issues and doc response), and SBA (Small Bus. Loans).

Anything you guys can do to help us out here would be greatly appreciated. You can reach me on my work cell anytime: (b) (6)

Hey Troy – I didn't want to bug Ringel with him out this week, but was hoping you could assist Corey with Rep. Francis Rooney. They're having some big issues with algal blooms down in their district and were hoping

to get an EPA official down to their district this summer. I'll let Corey take it from here.

Thanks!

Invite sent to Capitol Hill Staff:

All,

As you are likely aware, the US Environmental Protection Agency (EPA) and the US Department of Transportation (DOT) recently proposed the Safer Affordable Fuel-Efficient Vehicles Rule, which establishes new Corporate Average Fuel Economy (CAFE) and tailpipe greenhouse gas emissions standards for passenger cars and light trucks covering model years 2021 through 2026. I am writing today to invite you to attend a bicameral, bipartisan briefing by EPA and DOT officials on the recent proposal.

EPA and DOT officials will brief interested congressional committee staff on Friday, August 10, at 11:00AM. In order to accommodate all interested committee staff, the briefing will take place in the House Energy and Commerce Committee Room in 2123 Rayburn House Office Building. Please feel free to forward this invitation on to appropriate individuals on your staff who might not have received it.

We look forward to speaking with you and answering your questions on this issue. Please RSVP to myself and Brian Barnard (Brian.Barnard@dot.gov <mailto:Brian.Barnard@dot.gov>) by Thursday at noon so we are able to ensure an accurate headcount.
