

The Catalog Data Section which follows contains the advertisements of products available to meet the design requirements as outlined in the text pages of this Edition.

In the Index to Modern Equipment section, under each of the index headings—Air Cleaning Equipment, Fans, Humidifiers, Ventilators, etc., will be found a list of manufacturers of any desired products, fully cross-indexed, and the page numbers in the Catalog Data Section where the products are described. By reference to these indices, the manufacturers' names and the page numbers, any item of equipment or materials, and the producer's address, may be located quickly.

For additional information about advertisers' products, use Reader Service Card on Page 303.
