Subject: RE: Questions from PolitiFact

Good afternoon Mr. Jacobson,

The following should prove helpful.

Subject: Questions from PolitiFact

Greetings,

Lou Jacobson again from PolitiFact. Hope all is well.

The EPA recently [gave a statement to Bloomberg](#) that said in part, **“The science is clear, under President Trump greenhouse gas emissions are down.”**

Could you provide evidence to back up that statement?

Thanks very much,

Lou J.
