My name is Cheryl Woodward, the point of contact for logistic at EPA. Your meeting with Administrator Wheeler on Monday, August 6 at 4 pm is confirmed. The instruction/direction is below. If you have any questions, please contact me. I need your list of attendees for security passes as soon as possible. Look forward to seeing you.

Directions: EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th Street NW, between Pennsylvania and Constitution Avenue. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers across street is a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This is the **South Lobby** entrance to the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Aaron Dickerson at 564-1783 to escort you to the meeting with the Administrator. Security will have the visitors passes for everyone. Allow for 10 minutes to get through the process.

Importance: High

Good morning, Andrew,

As you are aware, a comprehensive proposal for regulatory streamlining / administrative improvements for the ESA / FIFRA problem was sent to four cabinet officers on April 10, in a letter signed by CropLife America, Defenders of Wildlife,

and the American Soybean Association, among others (see **attached** letter). Subsequently, a similar letter was submitted by the American Farm Bureau Federation (also **attached**).

Since then, we have attempted to gain a follow-up meeting with those four cabinet officers to further discuss the letters, but we've found scheduling to be a challenge.

On further thought, we feel like getting this process started is important, and would ask if you and others at EPA would consider convening an initial meeting with our group? To that end, we would suggest the dates (and times) below to be available to meet:

- Monday, July 30
- Monday, August 6 (after 1:00p)
- Tuesday, August 7 – 2:00p or after
- Monday, August 20, after 1:00p

I have copied my admin Mary Jo Tomalewski here, and she would be happy to work with your scheduling staff to get this on your calendar.

I look forward to hearing from you.
