

1 Q And how long did you keep that car?

2 A I kept it a long time. I had it a long
3 time.

4 Q And after Mr. Grewe became ill, was he not
5 able to do any of the house maintenance, or the car
6 maintenance that you described?

7 A No, he couldn't do nothing.

8 Q Now, if you could, Mrs. Grewe, tell us when
9 you first noticed any change in your husband.

10 A He had got up one morning and he said he
11 wasn't feeling well. And he said his chest was like
12 it was going side by side, so I told him to stay home
13 and I would take him to the doctor's, and that was in
14 October of '92.

15 So, my boy had come down to take him to work
16 because they used to ride together. He used to come
17 by and pick him up, and I told him to go ahead and go
18 to work, that I was going to take his dad to the
19 doctor, and he said call me later on when you find
20 out.

21 So, I took him to the doctor's and the
