Dear Dr. Schradin:-

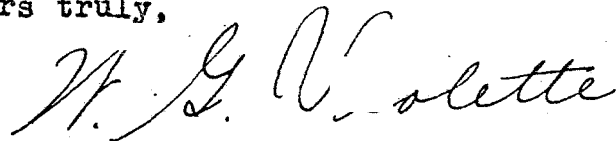

In connection with my letter of December 23rd  
and previous correspondence regarding your visit to Kingsland,  
Georgia for the purpose of examining one [REDACTED]

I have heard nothing further in connection with  
this matter and I am wondering if the trip was actually made  
and if I am to receive a report on your findings; this, I  
think, I should have in my file for future reference in  
case of any later developments in this case.

Shall appreciate your further advice.

Yours truly,

JCD/S
