Per your request of 6/27/72, this memo is to certify the following:

1. No shipments of Monochlorobiphenyl (Aroclor 1221 B) or Polychlorinated Terphenyls (PCT's) will be made from the Anniston Plant after June 30, 1972 except for disposal purposes as determined in writing by E. M. Potter.

2. No samples of Polychlorinated Biphenyls (PCB's) or Polychlorinated Terphenyls (PCT's) will be released from the Anniston Plant for any purpose without prior written approval of W. B. Papageorge.

G. L. Jessee
