Subject: Company letter re. National Program and s. 177 states
Attachments: March 15 S177 Letter .pdf

Dear Administrator Pruitt,

Attached please find a letter from a network of 47 major employers across the country expressing support for the current National Program due to its significant economic and environmental benefits, and opposition to any efforts to undermine states' rights to realize those benefits. Thank you for your consideration.

Sincerely,
Carol Lee Rawn
