Ok. We too are running out of time. Last estimate was August—the season is gone. We have excellent arguments on a 15-day comment period; completely discretionary. Our hope is OPP will exercise its discretion appropriately.

Hey Lynn,
I'm running out time today. I think Rick is sending over a timeline so why don't we chat after your team takes a look at that, if needed.

Thanks,
Nancy

Nancy,

Do you have time for me later today? It relates to our urgent need for the new AI.
