In re: John R. Kelly, Clock
#1760

Dear Sir:

Please be advised that this office has been retained to represent Mr. John R. Kelly, Clock #1760 and employee at the B. F. Goodrich Plant on Bells Lane in regards to his claim against the B. F. Goodrich Company claiming that said company has affected his physical condition and resulted in the development of angiosarcoma while working as an employee at said company from 1962 until present.

This condition and injury was caused by the negligence of your company and/or its employers in conducting their industrial affairs and business at the Bells Lane Plant in Louisville, Kentucky.

Kindly take notice that Mr. Kelly has been referred to an independent physician for medical treatment so that we may make an independent investigation and analysis as to the extent, if any, his injuries resulted from his employment at the B. F. Goodrich Plant. We shall cooperate with the Plant and submit Mr. Kelly to any B. F. Goodrich test that you may require; assuming that Mr. Kelly may have his legal and medical representatives present during these procedures.

We have been informed that several tests have been run on Mr. Kelly in the last several weeks and we would appreciate your forwarding immediately photostatic copies to Dr. Howard King, 3514 West Broadway, Louisville, Kentucky 40211 and to his attorney, B.
