CASE NO. 62 OAK 7422

and

O R D E R

(Approving Compromise
and Release)

FILED
APR 26 1966
DATE

Reconsideration was granted herein and the case returned to the calendar for further hearing on the issue of proper parties defendant. A hearing was held and thereafter the parties filed a proposed settlement agreement providing for a lump sum payment to applicant in the sum of \$6,500.00, less attorneys' fees and costs, and further providing that applicant shall assume unpaid and future medical and hospital expense. We find, from the record and the settlement agreement, that no part of the proposed settlement sum is attributable to temporary disability indemnity.

It is the opinion of the Workmen's Compensation Appeals Board that the Compromise and Release Agreement is adequate and in the best interests of the parties and therefore should be approved.

Applicant's attorneys have rendered services herein of the reasonable value of \$650.00 and have advanced litigation costs in the sum of \$47.00 on behalf of applicant.

For the foregoing reasons,

IT IS ORDERED that the Compromise and Release Agreement filed herein on March 8, 1966, be, and the same hereby is, APPROVED, payable in the manner and by the named parties as follows:

(a) To applicant, John Wyss, by Aetna Casualty & Surety Company, the sum of \$2,499.55, less the sum of \$697.00 payable to Smith, Parrish, Paduck & Clancy for attorneys' fees and costs.....\$2,499.55
