

No. 320 1953 March 16

TRASK APPOINTED TO NEW POSITION

Warren T. Trask has been named assistant manager, metal division, of the St. Louis and Southwestern branches. He continues as manager of the Steel Package Division.

Mr. Trask was employed in 1946 as manager of steel package sales in connection with the expansion of operations of the Steel Package plant in Granite City, Illinois. In 1950 he was appointed manager of steel package sales for National Lead Company and in 1952 he became manager of the newly-formed Steel Package Division.

Prior to coming to National Lead Mr. Trask was connected with Geuder, Paeschke & Frey Company in Milwaukee, where he was in charge of sales and administration of that company's Steel Container Division.

EXECUTIVES NAMED IN DOEHLER-JARVIS DIVISION

Operations of the newly-formed Doehler-Jarvis Division will be under the direction of the following: Frank J. Koegler, general manager; Charles Pack, assistant to the general manager; Ernest R. Zabriskie, manager of sales; William G. Gutmueller, production manager, Alfred F. Bauer, chief engineer, and Rudolph Bernhard, comptroller.

CROWE NOW MANAGER OF TRADE SALES FINISHES IN PACIFIC COAST BRANCH

Douglas R. Crowe has been named manager of the trade sales finishes department of the Pacific Coast Branch.

Mr. Crowe started with the Company in the San Francisco office in 1934, serving in the statistical department and on the order desk. He was transferred to Oakland in 1938, working first as a store clerk and then as an outside salesman. In 1948 he was named trade sales supervisor for the Central Division and in 1950 an assistant sales manager. He served as 1st lieutenant in the Air Force from 1942 to 1946.
