

1 need to study it, sure.

2 Q Doctor, can you tell the jury, how big is a
3 rat's lung?

4 A Oh, it is about as big as the end on the
5 last joint of your thumb.

6 Q All right. Just a few last questions,
7 Doctor, because I know you got to get out of here.

8 There is no question in your mind that every
9 type of asbestos fiber can cause disease?

10 A Right.

11 Q Every type of asbestos fiber can cause
12 mesothelioma?

13 A Right.

14 Q Tremolite can cause mesothelioma, can't it?

15 A Right.

16 Q So if some lawyer gets up in a few weeks and
17 tries to tell this jury that tremolite doesn't cause
18 mesothelioma, you would disagree with them, wouldn't
19 you?

20 A I can't imagine anybody standing up and
21 saying that tremolite does not, does not cause --
