Dear Dr. Wheeler:

We have just received the information forwarded to us on "Aroclors" and "Pydraul" and I am sure that this will be a great help to us in replying to the request from the military for information on these compounds.

We are still looking forward to a visit from you and Dr. Kelly and if we can be of any assistance to you I certainly hope you will feel free to call on us.

Sincerely yours,

Harry W. Hays, Ph. D.
