to a baby; that is why
babies are fat. If your
baby is scrawny, Scott's
Emulsion is what he
wants. The healthy baby
stores as fat what it does
not need immediately for
bone and muscle. Fat
babies are happy; they do
not cry; they are rich;
their fat is laid up for
time of need. They are
happy because they are
comfortable. The fat sur-
rounds their little nerves
and cushions them. When
they are scrawny those
nerves are hurt at every
ungentle touch. They
delight in Scott's Emul-
sion. It is as sweet as
wholesome to them.
