Hi [REDACTED]

That is a very good question, the best I have been able to find on the HSE website is this:

<https://www.hse.gov.uk/reach/restrictions.htm>

HSE are the competent authority for UK Reach so everything is run by them.

If you haven't already, it is worth signing up for their newsletter, the link is on this page:

<https://www.hse.gov.uk/reach/index.htm>

If you have detailed questions then the best contact is the HSE helpdesk on this email: [REDACTED]@hse.gov.uk

I hope this helps.

Kind regards

[REDACTED]

Subject: UK Restriction process

Hi [REDACTED]

Is there an UK equivalent website to the EU restriction process website: [Restriction process - ECHA \(europa.eu\)](https://echa.europa.eu)?

With thanks,
