Akron, Ohio 44317

Dear Mr. Schake:

Please refer to Dow Contract No. I.C. 10776 covering the sale of vinyl chloride monomer.

Pursuant to the terms and conditions of said contract, we are hereby notifying you of a one and six-tenths cents per pound (\$0.016/lb.) price increase effective January 1, 1976.

Continuing escalation in chlorine, ethylene and labor costs coupled with increasing capital demands necessitate this increase.

Our price to you effective January 1, 1976, therefore, will be:

\$0.126 per pound, f.o.b. producing point.

All other terms and conditions remain unchanged.

Very truly yours,

Gary G. Jones
