No worries, Mark! Happy to help. Would you please provide a new cell for the new POC? ☺
This will be a 30 min meeting just FYI.
Have you shared the arrival details with the two attendees?

Ashely, I am so sorry, I misread your date. I thought this meeting was for tomorrow at 3pm. Mr. Templin is leaving DC tomorrow evening late. Is there any way to move the meeting back to the 25th at 3pm?

Thank you so much Ashely. Mr. Templin is meeting with Senator Capito at 4pm, do you want me to see if we can adjust the Capito meeting? He is also with Sec Duffy at 10:30am

Hello Mark,

The Administrator is available on Feb 25 (Tuesday) at 4:00pm for a 30 min meeting. Please let me know if this will work. Please include the full list of attendees and a cell phone number for the person of contact.

The best place for visitors to arrive at the U.S. EPA via cab, uber, or on foot is at the Federal Triangle Station Metro Stop entrance on 12th Street in between Constitution and Pennsylvania Ave. Once arrived, please use the South Entrance near the metro stop escalators. A photo ID will be required to enter the building. I have also attached a PDF with helpful instructions

Thanks so much Adam and hello Eric. Our top North American executive Mark Templin will be in Washington on Feb 25-26 and would like to get on Administrator Zeldin's calendar if possible both for an introduction but also to discuss the Biden Tailpipe Rule and the California Waiver.

Thanks so much

Mark

Eric –

I wanted to introduce you by e-mail to Mark Johnson. Mark is at Toyota and is a former chief of staff to Senator Capito. Toyota's CEO will be in town later this month and Mark is hoping to schedule a meeting for him with Administrator Zeldin. Toyota has a manufacturing facility in West Virginia that is a great employer for our state. If you could try to schedule this meeting, I would appreciate it.

Thanks,

Adam
