

on Artificial Kidney Use

On May 15, 1964, the artificial kidney will be demonstrated in the first public meeting of the Orange County Chapter of the American Society of Nephrology, 1000 N. Tustin Ave., Suite 100, Orange, Calif. 92667. The meeting will be held at 7:30 p.m. and will feature a lecture by Dr. J. H. Harrison, President of the American Society of Nephrology, on the use of the artificial kidney in the treatment of kidney disease. The lecture will be followed by a discussion of the artificial kidney and its use in the treatment of kidney disease. The meeting is free of charge and open to the public.

Movie Placed

A movie on the subject of the artificial kidney will be shown as part of the program.

James H. Harrison, President of the American Society of Nephrology, will be the guest speaker at the meeting. He will discuss the use of the artificial kidney in the treatment of kidney disease. The meeting is free of charge and open to the public.

La Habra to Hold Civic Clean-up

LA HABRA — The La Habra Civic League will be holding a civic clean-up on Saturday, May 23, through Sunday, May 24.

One of the highlights of the clean-up will be a free trash pickup. This service is provided by the La Habra Civic League. The clean-up will be held at the La Habra Civic Center, 1000 N. Tustin Ave., Suite 100, Orange, Calif. 92667.

DOLLARS & SENSE

by Alfred A. Gould

Alfred A. Gould, author of "Dollars & Sense"

We're "Dollars" when we're right and "Sense" when we're wrong. The reason for this is that the Federal Reserve Bank of New York is the only bank in the world that is not a member of the Federal Reserve System. This means that the Federal Reserve Bank of New York is the only bank in the world that is not a member of the Federal Reserve System. This means that the Federal Reserve Bank of New York is the only bank in the world that is not a member of the Federal Reserve System.

1. To the extent that the Federal Reserve Bank of New York is the only bank in the world that is not a member of the Federal Reserve System, it is the only bank in the world that is not a member of the Federal Reserve System. This means that the Federal Reserve Bank of New York is the only bank in the world that is not a member of the Federal Reserve System.
