Subject: Re: Forest Biomass Energy

Hi, Tate - thanks for the quick reply. We will try for a meeting with Administrator Pruitt another time.

Please send him kind regards from his friends in Georgia in any event. We all still remember our meeting with him fondly.

Warm regards,

Dave

Morning, Dave. Unfortunately, the Admin will not be in DC that day. Copying his scheduler Hayley for awareness, but let us know if you all would be interested in a staff level meeting.

Good morning, Troy – I hope your week is going well.

Please see attached a letter to Administrator Pruitt seeking a meeting on April 17 with several participants in the event at the Gully Branch Tree Farm last summer. Because this group will be in town for a very short time we are hoping to secure a meeting with the Administrator on the 17th. Any help you can provide would be greatly appreciated.

Warm regards,

Dave Tenny
