Kristin—Attached is the form you requested. Please let me know if you need anything else. We will plan to be at Main Interior at 1:45 on 3/6 unless instructed otherwise. Thanks again!

Hi Phil, sorry for the delay! We are currently flexible on the afternoon of the 6th. Could 2pm work? But can move around that afternoon if another time works better.

Could you also fill out our meeting form, so I can run it through our ethics team?

Hi Kristin—anything else needed from us on the joint CEO (NextEra/ GE) request for the 5th, or NextEra alone on the 6th. We are scheduling a variety of other meetings with Senators but I don't want to go too far until we hear back from you. I'm hoping that will be soon, so wanted to check in.

Thanks so much!

Hello Kristin –

Just circling back here.....

John Ketchum, Chairman and CEO of NextEra, will be in DC on 3/5 and 3/6 and I wanted to re-up the request for a meeting with the Secretary. If able to accommodate on the 5th, he will be joined by the Chairman and CEO of GE Vernova, Scott Strazik, with whom we have recently announced a large new joint venture in the energy sector. If the 5th does not work, John is available to meet on the 6th, preferably in the afternoon, but we can be flexible as needed.

Is there a window on one of those days that might work?

Hope the new job is going well!

Best - Phil

Subject: Regarding Scheduling Request

Hello Phil,

I hope this finds you well. I just received your scheduling request for a meeting with John Ketchum and Secretary Burgum, and I apologize for the late response. As the Secretary's first day in office was yesterday (& my first day as well), we are trying to get a process in place. Unfortunately, I cannot make tomorrow work for a meeting, but next time Mr. Ketchum is in DC please reach out and we can work to arrange something.
