FW: PFAS workshop announced!

Waarschijnlijk van interest voor jou en je netwerk rond PFAS ook.

Wij hadden een side-event gehad bij de OEWG van de Montreal Protocol in Bangkok. En ik was verbaast dat de F-gassen de meeste emissie van PFAS is. Meer dan 60% blijktbaar. De link tussen onze dossiers is dus groter dan ik dacht.

Mvg

PFAS WORKSHOP

We are thrilled to announce the PFAS workshop of **ATMOsphere Europe Summit 2023**! The presentations, followed by an interactive discussion, will focus on the impact of fluorinated gases that are PFAS and their TFA (trifluoroacetic acid) degradation product on our health, safety and the environment.

Jutta Paulus, member of the **European Parliament**

Christine Lützkendorf, *Policy Advisor on Fluorinated Greenhouse Gases*, **DUH**

Jonatan Kleimark, *Senior Chemicals and Business Advisor*, **ChemSec** - *To be confirmed*

Thomas Trevisan, *Deputy Manager PA - Ozone, Climate, Energy and Chemicals*, **ATMOsphere**

Don't miss out on an **exciting programme** bringing together decision makers working with natural refrigerants!

This year will not only be about refrigeration, but also about heat pumps, transport refrigeration and mobile air conditioning (MAC).

Make sure to **reserve your spot** today!
